We hereby state that these products produced for oenological use is suitable for vegans.

The manufacture and development and their ingredients do not involved the use of any animal* product, by-product or derivative. Products are therefore free of any risk from BSE (Bovine Spongiform Encephalopathy) and TSE (Transmissible Spongiform Encephalopathy).

- Products are not obtained through the use of ingredients/adjuvants/processing aids achieved with the sacrifice, the ill-treatment and/or the intensive exploitation of animals;
- Products are not obtained with ingredients/adjuvants/processing aids tested on animals.
- Products have not been, nor will they be, involved in testing on any sort of animal.
- We confirm that our company strives diligently to minimize cross-contamination from animal substances used in other (non-vegan) products as far as is reasonably practical.

**The Vegan Society understands the word "animal" to refer to the entire Animal Kingdom, which is all vertebrates and all multi-cellular invertebrates.*
